Placement Program

Event: -Pre Placement Training

Date: -21/10/2024 to 25/10/2024

Venue: -College Auditorium

Aim/purpose: Pre Placement Training session was organized by the Department of Bachelor of Computer Application to encourage the student to come up with innovative ideas in placement.

Details of the event/ activity: The Session was organized for 2nd year students (2024- 25) of Department of Bachelor of Computer Application.

The objective of the session was to ignite the fire of imagination and creativity in the students. Students were asked to express their ideas through attending the objective type questions, group discussion and many more.

Pre-placement training is actually act as booster as the graduating students are not very experienced in handling technical interviews and placement approaches which leads to loss of their self-esteem. In order to crack aptitude test, personal interview and become confident performer there is always a need of such pre-placement training.

Starting from communication skill, soft skills, body language the pre-placement training gives lot of inputs in improving fundamental concepts of every student. Similarly, the students are made to realize their positives and focus domain areas in which they will become the best which eventually increases their self-esteem and they learn to represent their innovative ideas and solutions for any real-life problem. There are trained professionals in the DYPCOEI T&P Cell who are experts in practicing approaches which directly or indirectly help in motivating the students.

Another important area for the improvement of all students is writing CV. The Pre-placement training helps in framing an effective CV which not only looks professional but also self-explanatory. The cell is also instrumental in helping the students during the interview process as well as group discussion. The members of the T&P Cell would be able to provide you with important guidelines such as body language, what to do and what to avoid during the entire process of on-campus/off-campus drives to impress the recruiters.

Resource persons from different companies are addressed this pre placement session for our students. The session was a great success and learning event for the student.

Parents Teacher Meeting

DATE: 20/09/2024

Aim: The meeting is conducted regarding Parents Teachers Meeting on 20th September 2024 for 1st semester students.

Presided by Principal B Veerappa Sir.

Few words about academics. The Mentors are interacting between Parents. Parents were encouraged to appreciate student's participation in all academic activities. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the college. They gave their view points and suggestions to lecturers regarding the college and its development. Feedback forms were personally given to each parent to enlighten them about vision, mission, core values and objectives. The meeting helped to create better understanding between parents and lecturers and build harmonious relationship between the college and the community
